University and Department Description

Universitat Rovira i Virgili, International Center.

The objectives of the I-Center are to:

- Increase the international visibility of the URV.
- Promote the internationalisation of the university community.
- Provide for all the URV's internationalisation processes.
- Provide support for all the URV students and staff engaged in international visits.
- Act as a one-stop shop for visiting international students and staff during their time at the URV.
-

The I-Center is internally organized in three areas with different functions:

- Hosting
- Mobility
- Strategy

Selection Criteria

Knowledge and skills:

- English is a must. Knowledge of Spanish or Catalan is desirable but not compulsory.
- Basic computing skills (Office).
- Flexibility in the working approach.
- Capability of working in an international environment.
- Empathy and easy-going.
- With problem-solving skills.

Student profile:

- Enrolled student at INU member university of any field of study.
- Mature, responsible, organised, and able to work on their own.
- Interested in internationalisation.
- Willingness to innovate.
